

On Wednesday July 12th 2017 the members of Local 54 voted to accept the employers proposal of contract. Below are the updated wage rates that go into effect June 28th 2017 as outlined in the new agreement. Wages are not scheduled to change again until February 01,2018. However there may be an increase in the Health and Welfare contribution rate after the trustees meet in October 2017. Therefore these rates are good thru November 30th, 2017
