It is understood and agreed that no employee will enter into competition with an Employer either directly or indirectly. Employees violating this article shall be subject to discipline by the Union. Furthermore, such violation shall be treated by the Employer as grounds for immediate termination.

- (a) The employer agrees to inform the Union, as provided in paragraph (b) below, of upcoming projects that involve the possible use of sub-contractors to handle work that is within the jurisdiction of this Agreement, including such work where subcontracting is required to meet contract requirements, including but not limited to minority and other preferential contracting preferences imposed by an outside entity and provide the Union with the names, telephone numbers and addresses of the subcontractor(s).

DRUG & ALCOHOL POLICY

27.01; The Employer Drug Program is to follow the Washington Drug Free Guidelines with testing of up to two (2) times in any calendar year. Employees passing the drug test are to be put on a Drug Free List: valid for six (6) months. The Employers and the Union agree to elicit the cooperation of local General Contractors in accepting the Drug Free List in lieu of job-specific testing. The Employer may also conduct a drug/alcohol test if the Employer has a reasonable suspicion based upon specific articulable facts that an employee's drug or alcohol use may be impairing job performance.

27.02: Effective June 20, 2001, an employee failing a substance abuse test will be registered on the bottom of the appropriate out-of-work list for which he/she qualifies. An employee then failing any subsequent substance abuse test within a twenty-four (24) month period will be denied further use of all hiring hall facilities throughout Local 54 jurisdiction. Hiring Hall privileges will only be restored after the registrant has successfully completed a State certified Drug/Alcohol Program or has been released for employment purposes by a State certified Counselor and continues to remain free of all prohibited substances as defined in any jointly negotiated Substance Abuse Program.

27.03: Any Employer signatory to this agreement will participate in the "Clean Card" Program established by Drug Free Business. As a pre-condition to dispatch, the union will ensure that all personnel dispatched to the Employer will hold a current "Clean Card" issued by Drug Free Business.

ARTICLE 28 FAVORED NATION

28.01: The Union agrees to notify the Employer by certified mail in the event the Union enters into a collective bargaining agreement with any other employer, subsequent to the effective date of this Agreement, that provides contractual provisions more favorable to the Employer than those provided in the Agreement. Notification shall occur within ten (10) days of the effective date of the Union's Agreement with another employer. Provisions of this Agreement that are less favorable to the Employer shall automatically be replaced by the more favorable terms and shall remain in force for the lesser of the duration of this Agreement or the duration of the more favorable agreement.

28.02: For the purposes of organizing new signatory contractors, any work bid by the newly signed contractor before the effective date of an agreement may be performed at the contractor pre-agreement conditions. Provided, however, that such agreements shall not last longer than until the expiration date of this agreement, regardless of when such agreements are entered into by the new signatory contractor. For purposes of this section new signatory contractor means an Employer who has never had an Agreement with Local 54 at any time in the past 5 years. This action shall not invoke the Fair Competition section of this Agreement. The Union agrees to notify the Employer of any projects where work is performed at a lesser rate.

The Union won't sponsor a concerted work slowdown or other economic action over a matter that is being promptly and properly moved through the grievance procedure.

In an effort to protect the Union market, during the term of this Agreement and for sixty (60) days after any expiration or termination of this Agreement, with respect to any projects awarded pursuant to RCW 39.34.030 before the expiration or termination of this

Agreement, no strikes, picketing, or work stoppages of any kind shall be caused or sanctioned by the Union with respect to such awarded work projects and the Employer shall not cause or commence a lockout with respect to work to be performed on such awarded work projects, regardless of whether such strikes, picketing, work stoppages, or lockouts have been commenced with respect to other work job sites other than projects awarded pursuant to RCW 39.34.030. Employer shall pay employees retroactively for pay increases for work performed on projects awarded pursuant to RCW 39.34.030 after this Agreement has expired or been terminated once a new labor agreement is entered into between the Employer and the Union.
